

# Searching for In-Network Medical Providers Today

## Signature Value Plans

Once you are enrolled with United Healthcare you can easily search for in-network providers with UHC by logging into myUHC.com or using the United Healthcare Mobile app.

However, prior to enrollment use these steps to search for the status of your current healthcare providers:

- myUHC.com
- Find a Provider
- Select “Medical Directory”
- You will search under “Employer and Individual Plans”
- You will be enrolled on the “SignatureValue Plans”
- Make sure the location is set to California
- Select the “SignatureValue HMO” network
- Enter your zip code or city
- You can search by provider name, facility or clinic name, specialty, and condition.

# Searching for In-Network Behavioral Health Providers Today

Once you are enrolled with United Healthcare you can easily search for in-network providers with UHC by logging into myUHC.com or using the United Healthcare Mobile app.

However, prior to enrollment use these steps to search for the status of your current healthcare providers:

- myUHC.com
- Behavioral Health Directory
- You will search under “Employer and Individual Plans”
- Make sure the location is set to the correct location
- You can search by provider name, facility or clinic name, specialty, and condition.
